NORTECH™

Digital Diagnostics Xtreme™

Generate and leverage performance data in real-time

Knowledge is Value

- **Real-time performance monitoring**
  - Temperature & humidity
  - 3-axis accelerometer
  - Data transmission activity
  - Power delivery activity
  - Others available

- **Custom system sensing**
  - Automated redundancy
  - Fail-over logic
  - Software/firmware changes
  - Mechanical/environmental stressors
  - Runtime hours
  - Mating cycles
  - Warranty events
  - Predictive failure analysis & trouble flags

- **System and cable integrations**

ISO 9001 CERTIFIED · ISO 13485 CERTIFIED · AS AS1900 CERTIFIED
